

## ***Improving Your Bottom Line***

***In 2007, ISMA members worked on behalf of all Indiana physicians to accomplish:***

- 1. A bonus payment for physicians serving the Medicaid population*
- 2. The first Medicaid physician rate increase in 17 years*
- 3. A 19.1% decrease in the Patient's Compensation Fund surcharge*
- 4. A ban against most favored nation clauses in managed care contracts*
- 5. Creation of the Healthy Indiana Plan (HIP) to assure the working poor receive health care coverage*

***The impact of these ISMA actions more than offsets the cost of membership. Instead of relying on your colleagues to make a difference, become part of the effort to advance the practice of medicine for all Indiana physicians.***

***Want to improve your bottom line? Start by completing an application online at: [www.ismanet.org/forms2/mem\\_app.asp](http://www.ismanet.org/forms2/mem_app.asp) (Resource code KOR0208) or faxing the address side of this card to the ISMA at (317) 261-2076.***
