Join  
our medical  
family to  
**grow,  
connect &  
make a  
difference!**

**Grow** through opportunities to acquire and develop new personal and professional skills at Alliance workshops and conferences.

**Connect** with men and women who know the challenges of life in a medical family and share your interests and causes.

**Make a difference** by supporting health projects that teach children to be safe and healthy, including:

- Inside Clyde and Organella dolls in the District 13 Medical Alliance; and
- the Fort Wayne Medical Society Alliance's annual Cinderella Dress Day which outfits girls in need with prom dresses.

You can also make a difference by raising funds for medical school campuses across Indiana and student scholarships.

**Join us!** Even if you can't be active, your membership dollars will work to promote good health and advocacy in Indiana.

**To learn more about the Medical Alliance at all three levels of membership – county, state and national – visit these websites:**
