Join our medical family to **grow, connect & make a difference**

Grow through opportunities to acquire and develop new personal and professional skills at Alliance workshops and conferences at the local, state, regional and national levels.

Connect with men and women who know the challenges of life in a medical family and share your interests and causes.

Make a difference by supporting health projects that teach children to be safe and healthy, raising funds for scholarships and grants, and protecting the future of medicine.

Join us in the Medical Alliance! Even if you can't be active, your membership dollars will work to promote a healthier Indiana and support the family of medicine.
