Join our medical family to **grow, connect & make a difference!**

Grow through opportunities to acquire and develop new personal and professional skills at Alliance workshops and conferences.

Connect with men and women who know the challenges of life in a medical family and share your interests and causes.

Make a difference by supporting health projects that teach children to be safe and healthy, raising funds for scholarships and grants, and protecting the future of medicine through legislative advocacy.

Join us in the Indiana State Medical Association Alliance!

Even if you cannot be active, your membership dollars will work to promote good health and legislative advocacy in Indiana.

Visit www.ismanet.org/alliance to learn more about our award-winning efforts and to pay your dues.

**INDIANA STATE
MEDICAL
ASSOCIATION
ALLIANCE, INC.**

The Alliance is making a difference right now in the medical family & public health:

- **The ISMA Alliance is sponsoring a new \$10,000 IU Medical School Scholarship** and has generously joined other North Central Alliance states by pledging an additional \$10,000 to help endow the newly created AMA Alliance Honor Fund to help provide medical student scholarship assistance nationwide.
- ***You Don't Have To Be Bullied* and *Hands Are NOT for Hitting*** workbooks produced by the AMA Alliance are used by Alliance members across the country to mentor young Americans on violence prevention and how to avoid being bullied in school.
- **The Fall Fling @ Zing! brought medical students** and their spouses together with established physicians and their spouses for an evening of mentorship and real-world advice about life in a medical family. The ISMA Alliance, Indiana State Medical Association, Indianapolis Medical Alliance and the IU School of Medicine sponsored the event.
- **\$60,000 from the Docs vs. Suits softball game** will be used to help with simulation educational programs and to purchase diagnostic tools and instruments for clinical education at the IU School of Medicine Fort Wayne Campus. The Fort Wayne Medical Society Alliance and the ISMA Alliance provided grants and volunteers for the event.
- **The ISMA Alliance was presented with an AMA Alliance Health Awareness Promotion Award** to recognize our statewide *Treat the Troops: Mental Health Matters* project aimed at raising awareness of post traumatic stress disorder among military members and their families.
- **The ISMA Alliance supported efforts to end domestic violence** by sponsoring a table at the Indiana Coalition Against Domestic Violence 30th Anniversary Gala and Fundraiser in September. ISMA Alliance President-elect Ferial Alsikafi, MD, also donated a painting for the silent auction.

The AMA Alliance is also giving you some new member-only discounts:

- **Sears Commercial Members Discount Program:** AMA Alliance members can save on major kitchen appliances, including top brands such as Kenmore, Bosch, LG, Samsung, KitchenAid, Whirlpool, GE, Maytag, Frigidaire and Jenn-Air. Choose from other great products such as TVs, mattresses, Kenmore outdoor grills, NordicTrack and ProForm exercise equipment, water treatment systems, Craftsman Lawn Tractors and Sears gift cards.
- **Avalon Waterways:** Members of the AMA Alliance are eligible for travel discounts benefitting the entire family for many destinations.
- Visit http://www.amaalliance.org/site/epage/78431_625.htm or call (312) 464-4470 for more information about these and other AMA Alliance member discounts.
