

think alliance

What is the Alliance

The Alliance is the largest, most important organization that represents the family of medicine in the United States. The Indiana State Medical Association Alliance, the American Medical Association Alliance and local alliances form a unified force to improve our communities and the lives of physicians and their families.

Belong to the family of medicine

Develop lifelong friendships, build an effective network of co-workers, and find a ready-made support system for the unique challenges of life in a medical family. If you are the spouse of a physician, resident physician, or medical student, or if you are a physician, you are invited to join the Alliance.

Make a difference

The Alliance raises funds for scholarships, research, and grants, participates in health projects that improve people's lives, and protects the future of medicine through legislative advocacy.

Enrich your life

Attend state, regional and national workshops and seminars which will contribute to your personal development. Receive professional training to enhance your leadership skills, make valuable contacts, and enjoy unique opportunities because of your membership in this dynamic organization.

Join the Alliance today

think alliance...

The Alliance provides education and support to ensure all individuals have an opportunity for healthier living through:

INTERNET KEEP SAFE COALITION:

- The AMA Alliance and the ISMA Alliance are proud supporters of the Internet Keep Safe Coalition, which teaches basic rules of **Internet safety to children** and adults through its **Faux Paw**, the Techno Cat, educational materials and presentations to schools and community groups.

FREE 911 CELL PHONE PROGRAM:

- The ISMA Alliance supports the ISMA Free 911 Cell Phone Program. The program collects, re-programs and distributes used 911-capable cell phones to those with life-threatening medical conditions and victims of family violence who can't afford an emergency cell phone.

WORLDSCOPIES:

- This program distributes donated and purchased **stethoscopes** to communities around the world where medical supplies are scarce.

SAVE:

- SAVE, launched by the AMA Alliance to Stop America's Everywhere, spreads anti-violence messages to children in **local schools and communities** with activity books like *I Can Handle Bullies* and *Hands Are NOT for Hitting*.

ALLIANCE GRANT PROGRAMS:

- The ISMA Alliance **awards annual grants** to members to fund a variety of local health projects.
- **AMA Foundation Fund For Better Health Grants** support programs related to substance abuse prevention, healthy nutrition and physical fitness, and violence prevention.
- AMA Alliance **Health Promotion Policy Grants** are awarded to support activities that further AMA Alliance health policy.
