

Advertising Opportunities from the ISMA

ISMA Annual Convention

Sponsorship and advertising opportunities abound for the 162nd Indiana State Medical Association Annual Convention, Sept. 16-18, 2011, at the Marriott Downtown Indianapolis.

By advertising in our program or sponsoring events, you bring the attention of nearly 200 of the state's physician leaders to your product or service. Sponsorships range from \$250 to \$1,500; some provide opportunities to display and interact with physicians. Choose from among event signage, refreshment services or other logo display options.

Make plans now to purchase ISMA sponsorships or advertising for next year. Include us in your marketing budget. Sponsorship and advertising opportunities open March 2011; watch for a spring mailing from the ISMA with more details.
