Within 30 days of receipt of the approved application from your county medical society, the ISMA will forward a dues statement. Thereafter, renewal of your county, state, and district memberships will be due by January 15th of each calendar year. As a convenience, you may remit your AMA dues along with your ISMA and county dues. Optional contributions to the Indiana Medical Political Action Committee (IMPAC) and the Indiana Medical History Museum may also be included.

In most cases, medical association dues (except for specific governmental affairs expenses) may be deductible as professional or business expenses to the extent allowable by law. Dues and other contributions to the Indiana State Medical Association the American Medical Association, any county society and district society, and IMPAC are not deductible as charitable contributions for federal income tax purposes. In addition, no portion of any dues paid to AMPAC or IMPAC can be deducted as a business expense on your federal income tax return.
