

CHECK-IN for a CHECK-UP WITH YOUR HOOSIER DOCTOR

Health Coverage Options

Tens of thousands of Indiana residents have tested positive for COVID-19. But the pandemic also has resulted in the loss of employer-sponsored health insurance coverage for hundreds of thousands of Hoosier families.

Despite these challenging times, please don't wait until a health issue turns serious. Health insurance and other coverage options are available to Hoosiers so you can continue to seek preventive and ongoing health care for you and your family. Meanwhile, assistance is available to help with food and other basic needs.

Don't know where to go for help? Check out these resources:

HEALTH COVERAGE NAVIGATORS

Get free, expert advice to help you get covered and stay covered.

Covering Kids & Families of Indiana can connect you with a certified Navigator in the county where you live and help you enroll for coverage.

FSSA BENEFITS

Find out if you are eligible for SNAP (food assistance), TANF (cash assistance), and/or health coverage benefits.

Connect with FSSA and answer some basic questions to get screened for potential benefits.

HEALTH COVERAGE MARKETPLACE

Visit [HealthCare.gov](https://www.healthcare.gov) to find or change your 2020 health coverage.

Once you get coverage, be sure to contact your doctor and check in for a check-up today to put you on a path for a brighter, healthier future.

HOOSIER DOCTORS are here for you!
