

CHECK-IN for a CHECK-UP WITH YOUR HOOSIER DOCTOR

Medical Office Safety Measures

Indiana's physicians are taking extra precautions to protect patients from COVID-19 so Hoosiers can get back on track for better health. Ask your doctor what specific measures will keep you and your family safe so you can continue preventive and ongoing treatment, even during the coronavirus pandemic.

We're ready to see you now!

Check in for a check-up today to get back on track for better health.
