

# VIRTUAL IMPAC SOCIAL

**Friday, Sept. 11 at 7 p.m.**

These unprecedented times call for some unprecedented measures to connect, have fun and hear from Indiana's elected representatives at the state and federal level.

Even though this year's ISMA convention and IMPAC social are going virtual, you can still plan to unwind with us just as if we were at the Embassy Suites in Noblesville. Show off your favorite homemade cocktail or beverage, and wear your favorite festive outfit or funky tie. Let's get creative!

And, while our IMPAC Board has suspended IMPAC fundraising for the first half of 2020 due to COVID-19, your contributions are more important than ever heading into a year full of legislative uncertainties.

**Please mark your calendars to make your IMPAC donation on Friday, Sept. 11!**

## Featuring special guests:

**Congressman Larry Bucshon, MD**  
(R-Ind.)

**Rep. Tim Brown, MD**  
(R-Crawfordsville)

**Rep. Brad Barrett, MD**  
(R-Richmond)

**Rep. Rita Fleming, MD**  
(D-Jeffersonville)

Join us for an evening of policy discussion as ISMA engages with elected representatives on the critical issues impacting Hoosier health care:

- Hear from Dr. Bucshon about Congress' efforts to fight COVID-19.
- Receive an update on Indiana's fiscal and budgetary status from Dr. Brown, the chair of the Indiana House Ways and Means Committee.
- Listen to Dr. Barrett and Dr. Fleming, both members of the Indiana House Public Health Committee, preview issues they believe will come before the committee in 2021.

# IMPAC

Indiana Medical Political  
Action Committee

## IMPAC FIGHTS FOR INDIANA PHYSICIANS

The Indiana Medical Political Action Committee (IMPAC) fights for Indiana physicians by supporting the political campaigns of Hoosiers who align with ISMA's policy agenda. From opposing dangerous scope-of-practice changes to protecting Indiana's top-notch medical malpractice climate and successfully advocating for state-level prior authorization reform, IMPAC provides organized medicine with the access and influence we need to remain a powerful voice in the Indiana General Assembly.

Your contributions are vital to organized medicine's success in the legislature.
