

ISMA Reports advertising

ISMA Reports is mailed to more than 8,000 medical offices around Indiana. That gives you the opportunity to place your message in the hands of doctors and medical practice managers statewide. No other publication can help you reach this special statewide target audience – for an affordable price.

Indiana State Medical Association (ISMA) has a limited number of ad spaces in the 2020 newsletters. You may purchase a quarter-page or half-page and choose strategic back-page or inside-page placement. (Our newsletter is folded so the back page is the first thing the readers see.)

Place an ad in two or more issues and receive a 20 percent discount, or purchase a half-page in a single issue to receive the same 20 percent discount.
