

UPCOMING WEBINARS FOR INDIANA MEMBERS

To support you on the front lines as you plan for, implement, and measure your patient-focused care, the **QPP Resource Center® for the Midwest** offers provide free tools and resources that can empower your practice to successfully navigate complex MACRA legislation. You'll have access to interactive webinars that will help you understand what is required of your practice for MACRA and why. Visit <https://pha.purdue.edu/events/> to register.

MIPS Data Submission Options Overview

Wednesday, June 26, 2019, from 12:30 p.m. – 1:30 p.m. (EST)

What reporting options are available to MIPS ECs in performance year 2019? What submission methods can be used to report your performance data to the QPP Portal? Purdue Healthcare Advisors' Natalie Stewart will provide attendees with an overview of the reporting options available, and will detail the different submission methods available to ECs. Succeeding in MIPS when you're on PAPER

Wednesday, July 17, 2019, from 12:30 p.m. – 1:30 p.m. (EST)

This session is geared toward clinician practices not yet using a certified electronic health record (CEHRT). Purdue Healthcare Advisors' Jennifer Anglin will detail how clinicians without an EHR can successfully participate in the MIPS program and avoid negative payment adjustments. [Register](#)

2019 MIPS Performance Category Spotlight On... Promoting Interoperability and Improvement Activities

Wednesday, September 11, 2019, from 12:30 p.m. – 1:30 p.m. (EST)

During this session, Purdue Healthcare Advisors' Jennifer Anglin will provide an overview of the 2019 MIPS PI and IA Performance Categories, which are worth 25% and 15% of an eligible clinician's final score for Program Year 2019, respectively. She'll cover reporting requirements, scoring, special statuses, bonus points, data submission, and hardship exemption availability. [Register](#)

2019 MIPS Performance Category Spotlight On... Quality

Wednesday, September 18, 2019, from 12:30 p.m. – 1:30 p.m. (EST)

Purdue Healthcare Advisors is shining a spotlight on the MIPS Quality Performance Category during this session. Quality is worth 45% of an eligible clinician's final score for Program Year 2019. PHA's Jennifer Anglin will provide an overview of all the details of this oh-so-important category such as data collection requirements (performance period, data completeness, etc.), scoring, reporting, specialty measure sets, and bonus points. [Register](#)

QPP Resource Center Webinars (*con't*)

2019 MIPS Performance Category Spotlight On... Cost

Wednesday, September 25, 2019, from 12:30 p.m. – 1:30 p.m. (EST)

This session will provide an overview of the Program Year 2019 MIPS Cost Performance Category, which is worth 15% of an eligible clinician's final score. Join Purdue Healthcare Advisors' Patty Rose for an explanation of the cost measures being assessed, and how the measures are scored. [Register](#)

MIPS Frequently Asked Questions (FAQs)

Wednesday, October 9, 2019, from 12:30 p.m. – 1:30 p.m. (EST)

Do you have a burning MIPS question? Have you ever wondered how CMS determines what score to apply to an EC when multiple data sets are submitted? What is MSPB ratio and how does it affect the cost category? Join Purdue Healthcare Advisors' Jennifer Anglin for a review of the commonly asked questions we answer regarding the MIPS program. Question topics range from scoring, reporting, category-specific, and more. [Register](#)
